

Scott Boulevard Water Main Replacement Project Phase III Update: December 4, 2024

Greetings,

On behalf of the Scott Boulevard Water Main Replacement Project Phase III, below is an overview of this week's construction work:

- Crews will work throughout the project to finalize construction. As a result, road closures of Livingstone Place, Craigie Avenue, N. Carter and Carter Roads will be extended to Dec. 20.
- Crews will work at the intersection of N. Carter Road and Chester Way on Dec. 4 and Dec. 5 to remove and replace a storm drain under a full road closure.
- Crews will conduct pipe outlet work at N. Carter Road.
- Crews will work on Craigie Avenue and Brown Place to connect services to the new 8" water main. Notifications will be distributed in advance.
- 8" waterline crew will continue miscellaneous work on Craigie Avenue, N. Carter and Carter Roads.
- Crews will continue curb, sidewalk, and concrete driveway work on N. Carter Road, Craigie Avenue, Russell Drive, and Livingstone Place.
- Crews will conduct grassing work on N, Carter Road, Craigie Avenue, and Livingstone Place.
