

Scott Boulevard Water Main Replacement Project Phase III Update: January 28, 2024

Greetings,

On behalf of the Scott Boulevard Water Main Replacement Project Phase III, below is an overview of this week's construction work:

- Crews will conduct sewer replacement work on Maple Street through Friday.
- Crews will complete remaining punch list items throughout the project work areas.
- Crews will conduct concrete paving work on South Columbia Drive and Forrest Boulevard.
- Crews will replace curbing at the intersection of North Carter Road and Chester Way.
