

Scott Boulevard Water Main Replacement Project Phase III Update: February 3, 2024

Greetings,

On behalf of the Scott Boulevard Water Main Replacement Project Phase III, below is an overview of this week's construction work:

- Crews will perform work on the existing 6" water main at the intersection of Russell Drive and South Columbia Drive.
- Crews will complete various punch list items identified by the County, inspectors, and the project management team.
- Crews will continue to clean up project wide.
