

Scott Boulevard Water Main Replacement Project Phase III Update: September 9, 2024

Greetings,

On behalf of the Scott Boulevard Water Main Replacement Project Phase III, below is an overview of this week's construction work:

- 30" waterline crew will continue installing pipe on Craigie Avenue northbound onto Livingstone Place under a full road closure.
- 30" waterline crew will continue installing pipe heading north from Chester Way toward Wiltshire Drive, under a full road closure.
- 8" and 30" waterline crews will conduct miscellaneous work on Craigie Avenue, Forrest Boulevard, and N. Carter Road.
- Crews will continue concrete, curb, and asphalt driveway work on Chester Way and N. Carter Road.
- Asphalt preparation work will continue on Chester Way, Craigie Avenue, Brown Place, Livingstone Place and Forrest Boulevard.
- Miscellaneous grassing work will take place on Chester Way, N. Carter Road, and Russell Drive.
