As is often the case with large construction projects, the work progress can be impacted by many circumstances.

In the case of **Sowell Estates**, we have encountered a 5-month supply chain disruption, necessary rock removal, weather delays, and Covid-19 related absenteeism.

We anticipate the project will be completed in January, 2023.

Should you have any questions or concerns regarding the Gravity Sewer Repair and Replacement Project, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.

We appreciate your patience as we work diligently to make improvements to DeKalb County's sanitary sewer collection system.
