**Subject: Malone Drive Water Line Repair Project End of Construction Notice**

Dear Resident/Business Owner,

The DeKalb County Department of Watershed Management (DWM) is pleased to announce the completion of the Malone Drive Water Line Repair Project.

As a part of the project, designated contractor Ruby-Collins repaired 60 linear feet (LF) of 30-inch ductile iron pipe. These completed improvements will ensure reliable water service along Malone Drive. Please be advised that the Peachtree Industrial Boulevard Waterline Replacement Project is anticipated to begin in July; this project will include work on Malone Drive.

Please contact the DWM Project Information Line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov) if you have additional questions about the project.

We appreciate the patience and cooperation you exhibited during the completion of these improvements to DeKalb County's sewer collection system.
