5256 Peachtree Rd #130, Chamblee, GA 30341  
3424 Miller Dr, Chamblee, GA 30341

ATLANTA, GA

As part of DeKalb County's \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community.

This letter serves as formal notification that construction activities for the Malone Drive Water Line Repair Project will begin **Tuesday, Jan. 21, 2025**. Normal construction hours will be from **7 a.m. to 7 p.m. Monday through Friday, excluding major holidays**. Property owners will be notified in advance of significant changes in scheduled work hours.

Please be advised to expect an **increase in construction-related noise and traffic during work hours**. Property owners will be notified 48 to 72 hours prior to the start of impactful construction activities. Our construction crews will work diligently to minimize the length of impact to residents as they repair 60 linear feet of 30-inch ductile iron pipe (DIP). The project is expected to last approximately one month, with construction completed in late February 2025.

**Ruby Collins**, working on behalf of DeKalb County, is the authorized contractor for the Malone Drive Water Line Repair Project. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the Malone Drive Water Line Repair Project, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).
