

Subject: Woodacres Water Main Replacement Project Update: Nov. 19, 2024

Dear Resident:

We are currently working on a leak on Rhineland Court. On Capehart Circle, the lines are being chlorinated, and testing of the lines will take place later this week.

As a reminder, please do not park on the street where crews are working. If your driveway is blocked and you or visitors need access, please flag down a contractor, so they can accommodate you.

Should you have any inquiries regarding the Woodacres Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
