

PUBLIC EDUCATION & OUTREACH

SCHOOL PRESENTATIONS

Presentations can be made to all levels of education. An interactive experience can be provided for a smaller group of students, as well as an open forum discussion for a larger group. It would be an honor for us to participate in your:

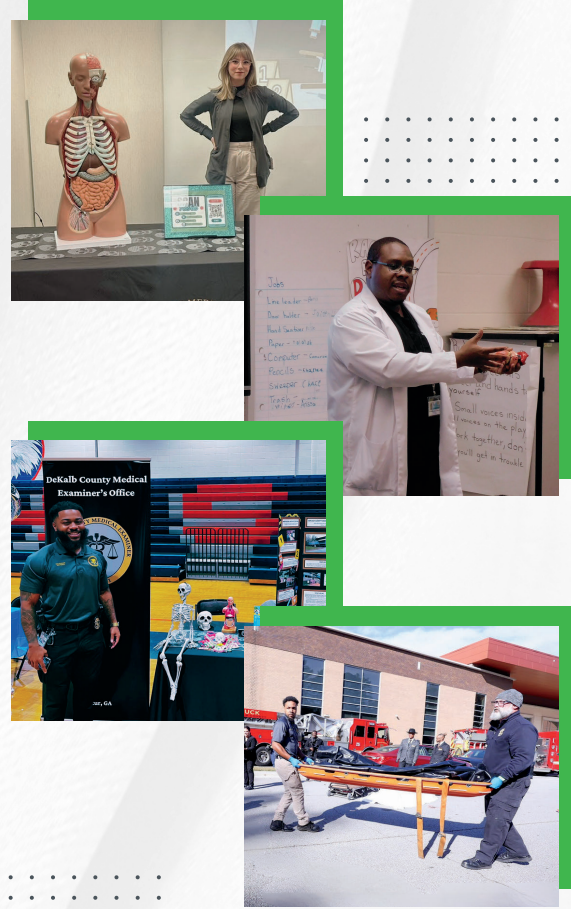

- ✓ Career Fairs and career-oriented events
- ✓ STEM and science-based classes and events
- ✓ Forensic and Criminal Justice programs
- ✓ Master of Public Health programs
- ✓ Medical School classes and events
- ✓ Safety and awareness experiences

PUBLIC PRESENTATIONS

As part of our office's capabilities, we can speak with individuals of all ages, in a variety of settings. Our presentation can be customized to meet the focus of your audience.

Typical presentations include, but are not limited to, the following topics:

- The role of the Medical Examiner's office
- Different departments and careers within our organization
- Medicolegal Death Investigation
- The forensic lab: postmortem examinations and additional testing
- Death certification
- Opioid awareness and prevention
