**Subject: Temporary Road Closure of Bobbie Lane Extended Through Sept. 13**

Dear Resident/Homeowner,

As part of DeKalb County’s \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the watershed systems serving your community. The **Cobb Creek Sewer Improvement Project** has been designed to improve the watershed system in your community.

This letter serves as formal notification that the temporary road closure on **Bobbie Lane** will be extended for approximately one week starting **Sept. 5**, barring any weather delays. During this closure, there will be detour signs in place to direct traffic around the closed off portion of the road. The road closure will be intermittent during the week, and the road will be open on the weekends.

Normal construction hours will be from 8 a.m. to 5 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

**GS Construction**, working on behalf of DeKalb County, is the authorized contractor for the **Cobb Creek Sewer Improvement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **Cobb Creek Sewer Improvement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).

We appreciate your patience as we work diligently to make improvements to DeKalb County’s watershed system.
